

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF ELECTRIC RATES OF)	
LOUISVILLE GAS AND ELECTRIC COMPANY TO)	
IMPLEMENT A 25 PERCENT DISALLOWANCE OF)	CASE NO. 10320
TRIMBLE COUNTY UNIT NO. 1)	

O R D E R

On November 7, 1994, Franklin Circuit Court dismissed an appeal of the Commission's orders in this case dated July 8, 1994 and August 16, 1994. No party has appealed the court's decision. The case is therefore before the Commission again.

Prior to the filing of the recusal motion which was the subject of the most recent appeal, a procedural schedule dated March 2, 1994 was in effect. It called for rebuttal testimony from Louisville Gas & Electric Company ("LG&E") to be filed on a date certain and contemplated a hearing to be set thereafter. Various motions concerning the testimony and evidence to be considered by the Commission in this case have been filed since that time.

The Commission, having reviewed the motions and being sufficiently advised, finds that its original procedural schedule set forth an appropriate format for conducting this case.

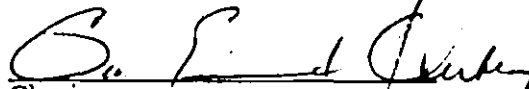

IT IS THEREFORE ORDERED that:

1. Rebuttal testimony, if any, from LG&E shall be due no later than January 6, 1995.
2. LG&E shall publish notice of the hearing date no later than January 24, 1995.

3. A Public Hearing shall be held on January 31, 1995, at 10:00 a.m., Eastern Standard Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 16th day of December, 1994.
